Way of Grace Church!

Greetingsto you from Pastor. Daniel!

By the grace of God and your prayers me and my family are doing well and we hope youand your family are doing well and it's my privilege to write to you on the ministry for the month of June.

A girlby name Mamata was impacted as a result of the Youth Camp which was conducted by Harvest Ministries in the first week of June. This girl was under much depression as her husband left her and she was back staying with her parents. I have been a regular visitor to their house sharing the word of God and encouraging and praying for them. Most of the time she used to spend time alone and this made her to go all the more into depression. Her parents agreed to send her to the youth camp and during these 3 days youth camp God's word has touched her heart and she accepted Jesus Christ in the youth camp. Since then she is also attending the church.

Prayer Points:

- Please pray for the youth in our church for their spiritual growth.
- Pray for the ministry in the surrounding villages of Jillela village.
- Pray for me as I am suffering with diabetes.

In Christ,
Ps. Daniel

Way of Grace Church

Warm greetings to you for Ps.Daniel!

Me and my family are doing well by the grace of God and it is only the grace of God to enter into a new month. In the month of July was able to visit 2 villages and visited 130 homes conducting 13 cottage prayer meetings. These gathering are a good platform to invite new people introducing them to Christ.

At RC puram village while we were on outreach few youth have objected to our gospel work in a particular area of this village. In order not to create more trouble we simply moved away from that area. God has really protected us and kept us safe and we once again thank you so very much for your prayers which really sustain us in the day-to-day ministry. This month was able to distribute 15 New Testaments and 200 Gospel tracts. Many believers in the church are able to receive blessings of God as a result of our prayers and waiting upon the Lord. Nearly 13 surrounding villages are being saturated in spite of many oppositions. Sunday school ministry is developing wherein 40 children are attending regularly.

In Chinnalingapuram village alady by name Santhosha gave birth to twin boys. They are from Hindu background and after three month one of the boy fell sick and doctor gave up hopes of living. After bringing him home neighbours and her relatives asked her to vow to their gods and goddesses and they did so and after 4 days the boy died. After one week the other boy who was surviving had the same problem and upon taking him to the doctor, and the doctor assured them he will try his best. This boy was actually not responding to the medicines. Since the first boy died the family members and relatives forced her to offer sacrifices to their gods for his health. Leaving all this aside this woman took the boy to the church against the wishes of her family members. For three days believers in the church along fasted and prayed for the healing of this boy. God did a great miracle and touched this boy and gave him a new life.

Prayer points:

Pray for Shankeravva who believed on Jesus Christ. For the opposition she is facing in the house with her family members.

Pray for the need of 2 more bicycles in the ministry.

In His Service,
Ps. Daniel
