Dear Way of Grace,

Greetings to you in the blessed name of Jesus Christ!

It has always been my joy serving the Lord and I am glad to let you know how the Lord is blessing our ministry and using us for the extension of His kingdom.

You are always in our prayers and remembrance.

I thank you so very much for your continued support and prayers. And it is only the power of God which is sustaining us and helping us to move forward in this ministry. This month I was able to visit Nerella and Badenapally villages visiting 85 homes and distributing gospel tracts titled "What after death"? This tract has been a great tool in bringing many to the saving grace of Jesus Christ. And nearly 200 people were reached with the gospel and 20 Bibles were distributed.

God is immensely blessing all my efforts and by the grace of God a Christ group was formed 14kms. from Jillela village. 20 people are gathering regularly from 7pm. to 9pm. once in a week for worship service. Kindly pray for this group that they may grow in the grace and knowledge of Jesus Christ.

Testimony: Sambaiah has lost his wife and went into depression. He has 2 daughters and 1 son. He works on the cotton looms and he lends money to many people who have not returned back. Even after his repeated requests to return back the money people have not returned and unable to bear this loss he fell sick and went into depression. On one of my outreaches to the village I met this family and they brought him to the church for my prayers. For the past 1 month they are attending the church and Sambaiah is showing slight improvement in his health. Please continue to uphold this family in your prayers so that they would come to now the Lord through our love and care.

Thank you very much for your continued support. My wife and children are doing well kindly uphold us in your regular prayers.

In His Service,  
Ps. Daniel
