Praise the Lord!...I am glad to know about the elder pastor who joined to minister. I hope and pray he would be a great blessing as you serve the Lord together. May the Lord give [your pastors] both oneness of mind and understanding the intentions of God and reaching out to your towns.

Thank you for your prayers and concern for our family and the ministry here. Step by step God has wonderfully helped us to complete the house and we are really blessed by your generous giving and we are ever grateful to God for all the amazing things He has done for us.

Had the privilege of visiting 2 villages this month. People in the villages are easily caught up and it really takes time for them to come out of those bondages and sinful deeds. Almost every one is caught up in the hands of satan worshipping idols and follow superstitions and blind beliefs. Every day we need power from above, the Holy Spirit guidance to present the gospel to these perishing people.

Thanks for your faithful provision and prayers and encouraging letters which mean so much to us. This month hopefully we will be starting off the Hiv/Aids clinic to serve the community of Jillela village and through this we hope to bring many to the fold of Christ.

My wife is doing well thanks for your prayers for her. Both my sons are writing their final examination doing their 11th & 12th standard.

The summer is picking up and we are getting ready for the Vacation Bible School to be conducted in the months of April/May.

We need your earnest prayers as we do the same for you.

Please greet your family for us.

In Christ,
Ps. Daniel
