

Dear Way of Grace Church,

Warm greetings in the precious name of Jesus Christ from Pastor Daniel & family!

It is always my pleasure to write to you as you hold a very special place in my heart because of your generosity. And I strongly believe that God would reward each of you for your wholehearted giving.

This quarter has really been a great harvest of souls resulting in reaching 13 villages few among them are Desaipally, Sarampally, Badenapally, Ramanapalle visiting 212 homes, conducting 24 gospel meetings wherein 480 people were reached with the gospel and in this regard we were able to distribute 650 gospel tracts and 49 New Testaments. And as such 132 people responded positively and 8 accepted Jesus Christ and 2 witnessed in the waters of baptism.

Stationed at Jillela 16 surrounding villages we are actively ministering each of these villages are 15kms. During this quarter we had conducted Vacation Bible School for 5 days wherein 80 children were impacted. During these 5 days children were given workbooks, crayons, coloring Bible Activity, games and along with the Bible stories Missionary stories were taught. Though it was the peak summer, God has protected all the children and blessed this ministry.

As a result of our tireless efforts 5 families are newly coming to the church. These families are purely from Hindu background worshipping idols and follow age old traditions. Among them 2 families are victims of witchcraft and due to this they had to undergo much loss of health and wealth. By the grace of God now as they regularly attend the church put their faith in Jesus Christ God is solving their problems and delivering from the powers of darkness. We praise God for these families and request you to uphold them in your prayers that the Lord would strengthen them as they walk in this new life.

At the end of the quarter our church youth numbering 20 had the privilege to attend the Youth Camp organized by Harvest Ministries. I feel so happy that each of them have personally accepted Jesus Christ as their personal saviour and made special decisions for the rest of their lives. Please pray for me that as a leader I would have much patience looking into the interests of these youth in bringing them up in the ways of the Lord and to prepare them as soldiers for Christ.

God has been so gracious in answering many of our prayers for the sick and the suffering. Many people after making vain efforts they return back to the church with much hope for their deliverance. And as such God is honoring our prayers and people are being delivered in the name of Jesus Christ.

On the family front the house construction is coming to a close completion. Thus far God has met all the needs as a result of the prayers and provision made by many God's children. My wife and both my sons are doing well. Please uphold us in your prayers that we would walk worthily of His kingdom and remain faithful.

We once again thank you for your kind support, prayers and encouragement which is our great motivation in going forward and we do not forget your help.

In His Service,

*Pastor Daniel*
